Nov 9, 2010 It's possible to get some extra items in ME3 for free from Rockstar Games. It's really worth it. Check their forums for more information. If you don't want to use the Galaxy Map Fix and you still want it anyway. Turn off Mass Effect using the console. Quit or shut down ME3. Go into the Mass Effect folder and open the file "MassEffectReset.txt". Make sure you copy the text from the file. Now right click on it and go to "create shortcut". The shortcut will open a window where you have to paste the text that you copied. Now right click on the shortcut and go to "properties". Go to the "Shortcut" tab and there will be an option for "Target". Paste in the long string of text and click OK. You should now be able to play the game.
