Pretty good game with big potential!!!. I'm sure it's fun but I can't find any games.

Refunded until there's a bigger player base.

A singleplayer aspect would be nice even if it's just against bots.. VERY GOOD GAME. I like the idea, cheerful graphics, Keeps crashing though.

I've got i5 ,16GB RAM, Win10. I'm sure it's fun but I can't find any games.
